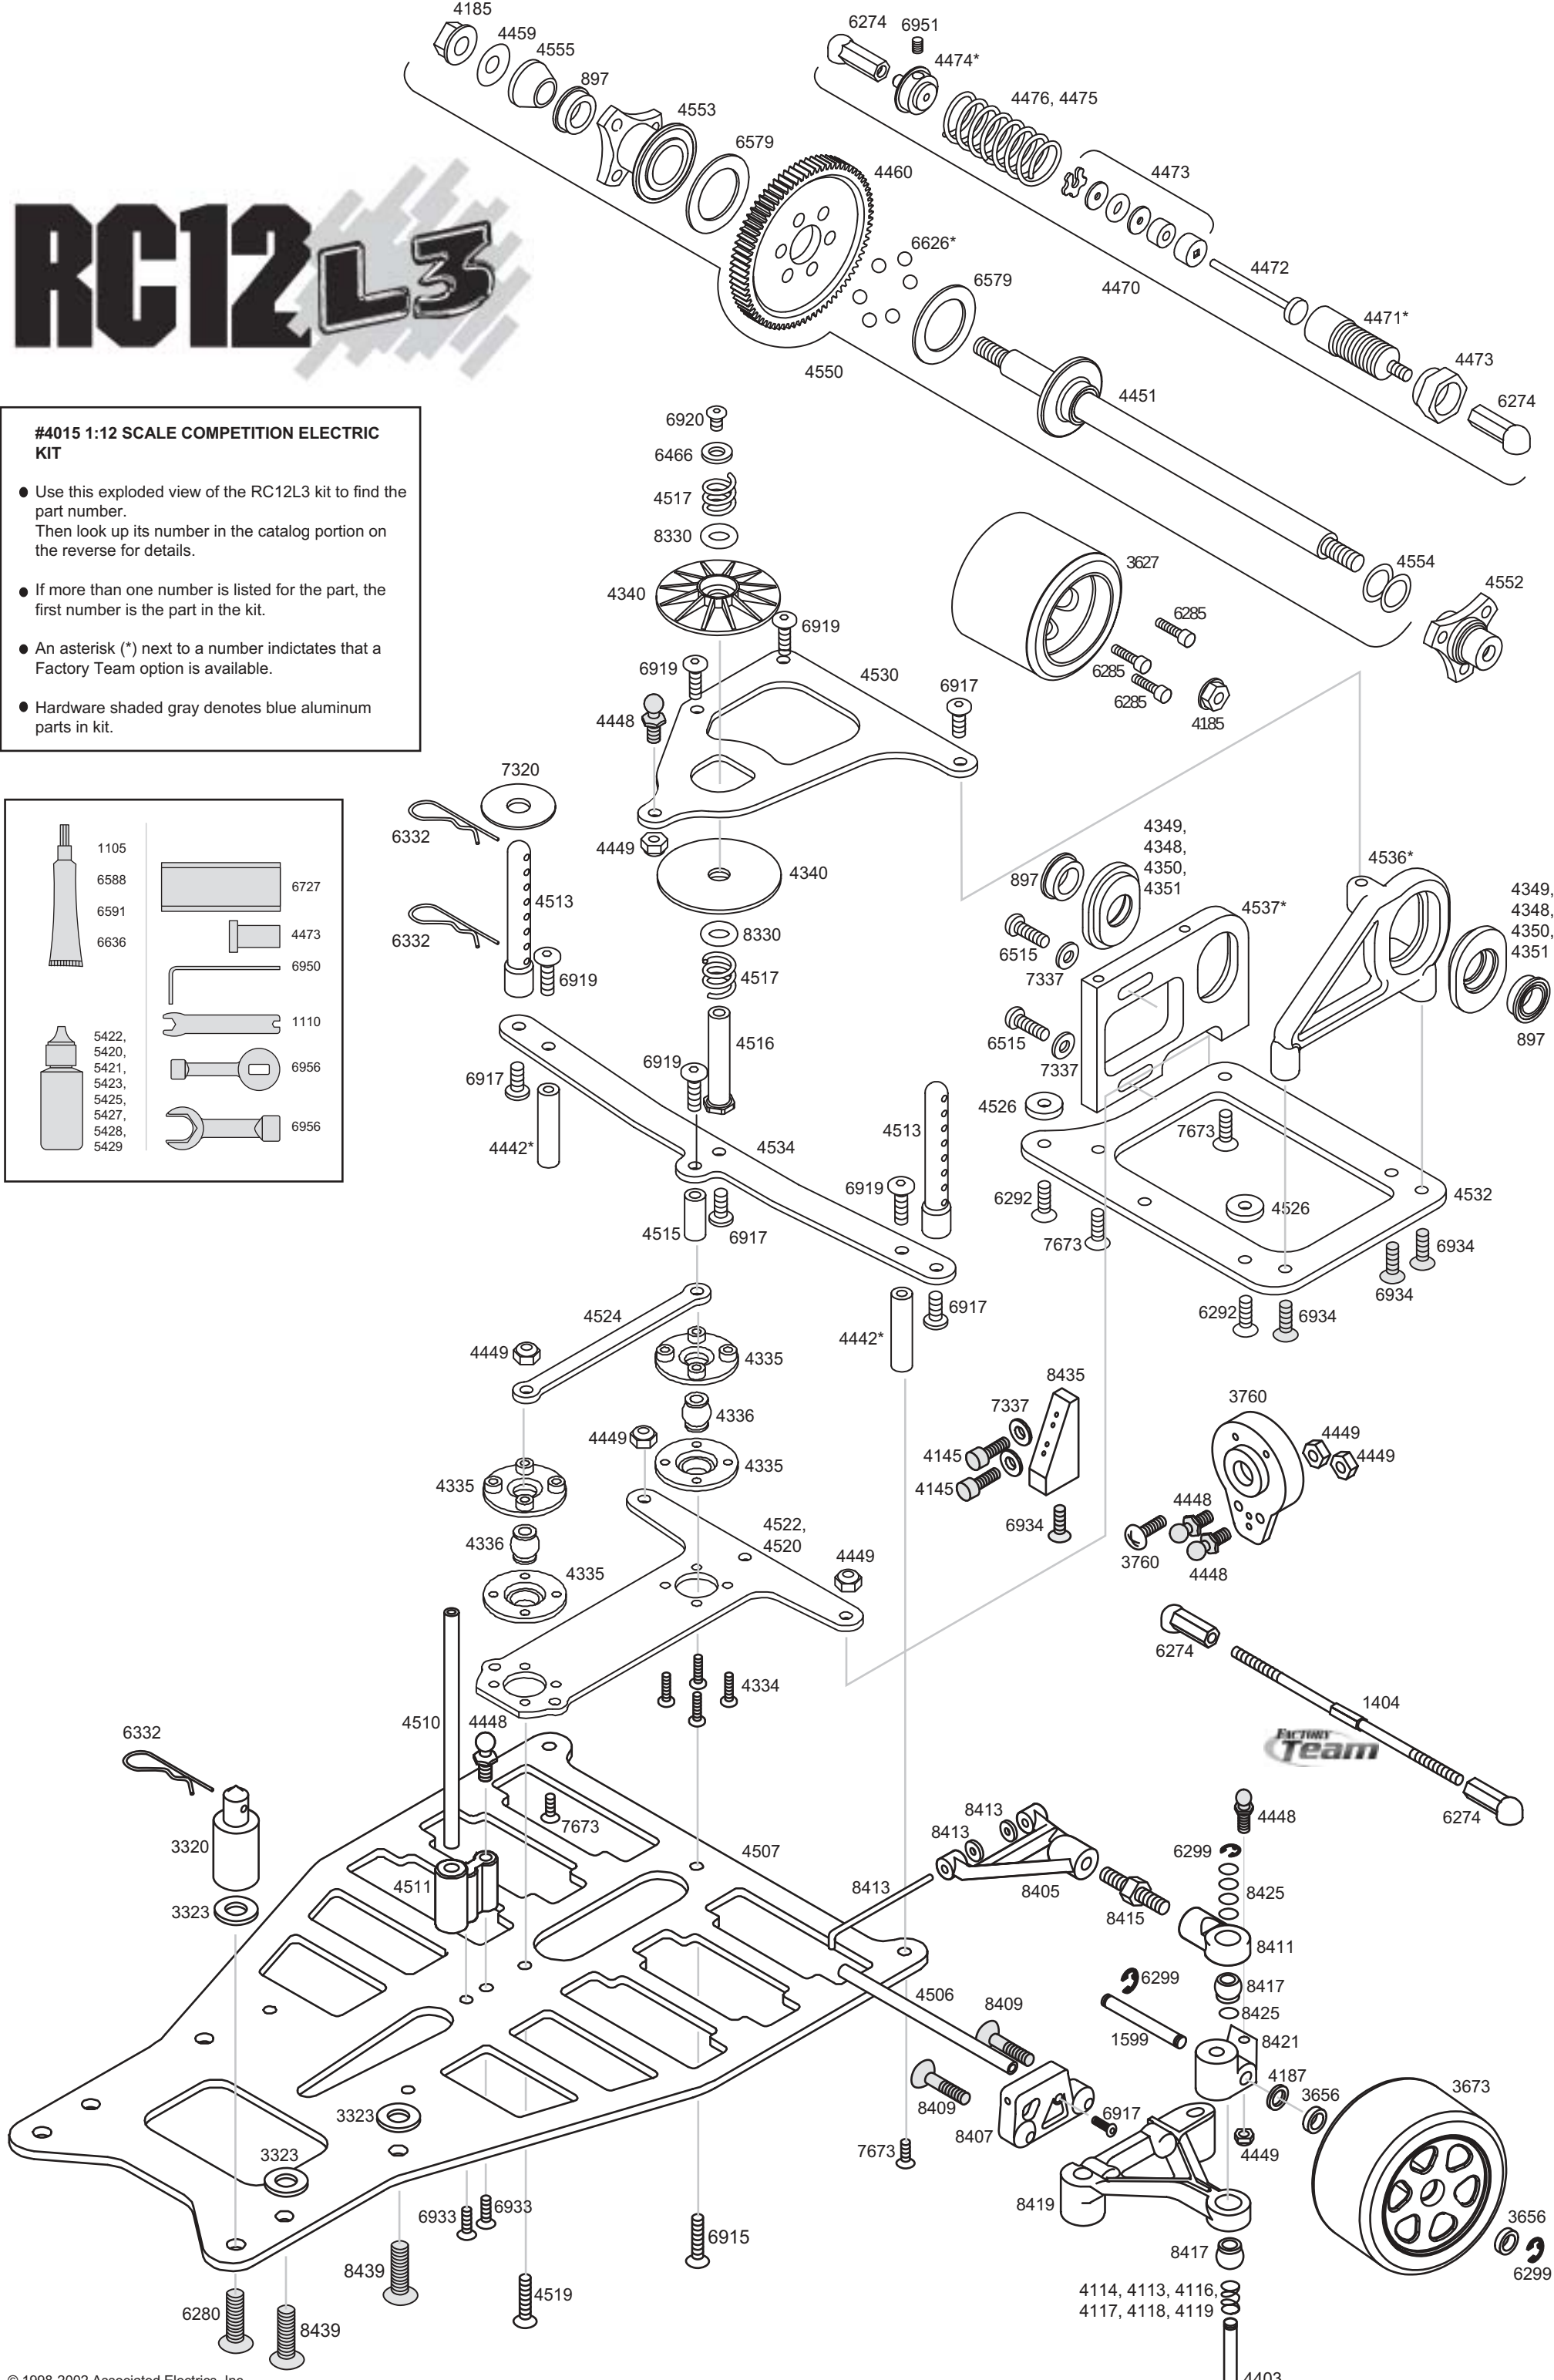
RC12L3

#4015 1:12 SCALE COMPETITION ELECTRIC KIT

- Use this exploded view of the RC12L3 kit to find the part number.
  Then look up its number in the catalog portion on the reverse for details.
- If more than one number is listed for the part, the first number is the part in the kit.
- An asterisk (*) next to a number indictates that a Factory Team option is available.
- Hardware shaded gray denotes blue aluminum parts in kit.



Due to continual R&D, some parts may not reflect kit contents. See http://www.TeamAssociated.com/ for latest news.
This drawing is for finding parts in the catalog. Do not use this to assemble your kit.
