

For Immediate Release: April 12, 2013

NEW! RC8.2RS RTR!

1:8 Scale Ready-To-Run 4WD Nitro Off Road Race Buggy

RC8.2 Race-Spec Ready-To-Run = Race Proven Performance!

The RC8.2 has already proven itself a winner in many world class events such as the 1:8 scale off road R.O.A.R. National Championship, the Dirt Nitro Challenge, and the Silver State Nitro Challenge. With the RC8.2RS RTR, you can now have this high level of performance in a Race-Spec Ready-To-Run!

The RC8.2RS RTR comes loaded with the performance features you have come to expect from the Race-Spec line. Features like the powerful Reedy .21VS pull start engine, a performance-tuned exhaust system and XP 2.4GHz radio system, just to name a few.

The RC8.2RS RTR is the perfect way to get into the 1:8 scale nitro buggy class, and also has the benefit of having many Factory Team performance parts and upgrades already available!
