## NEW! Qualifier Series Rival Mini Monster Truck!

### 1:18 Scale Ready-To-Run 4WD Electric Monster Truck

The Qualifier Series is Team Associated's exciting new line of sport-level products that are designed to be FUN above all else, easy to use, durable, lower cost, and provide an easy way to get into the RC hobby. When great looks and high performance are combined with quality features and value pricing, it becomes the ultimate sport product. When all this is offered from Team Associated, it's nothing short of awesome.

The Rival Mini is a fully assembled, Ready-To-Run electric 4WD Monster Truck that includes a 6-cell battery, a battery charger, and XP 2.4GHz radio system.

The Rival Mini features massive monster truck tires that deliver maximum traction and will roll over just about anything. The suspension is managed by four fluid-filled, adjustable, coil-over shocks that smooth out rough terrain. Also included is a factory-finished monster truck body that comes pre-mounted and ready to go!
