

SC10 RTR 1:10 Scale Ready-to-Run 2WD Electric Offroad Race Truck

Finally, you can now have Team Associated's world-class performance with true scale authenticity in a 1:10 scale ready-to-run electric truck! Team Associated is proud to bring to you the SC10, a 1:10 scale electric 2WD off road, authentic short course race-truck that is ready-to-run.

Based on the 6-time ROAR Nationals-winning RC10T4, the engineers behind the doors in Area 51 made the SC10 both all show and all go!

The SC10 comes ready-to-run with a factory finished short course race-truck body, short course style wheels and aggressive tread multi-terrain tires, all which have been designed to look just like the full-size race trucks that run in short course off-road series around the country. The world of high-performance 1:10 scale electric R/C has never before seen this level of scale accuracy! At first glance it's easy to see that the SC10 is another champion by design!

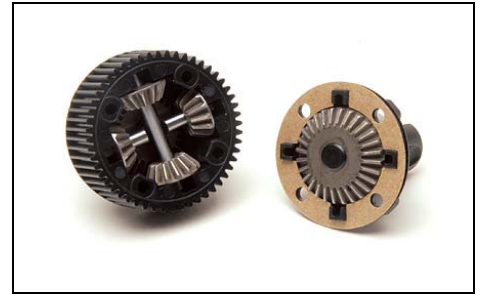

SC10 RTR Features:

- Built on the 6-time National Champion RC10T4 platform
- Authentic short course replica racing truck body
- Short course style wheels and aggressive tread multi-terrain scale tires with reinforced sidewalls
- Realistic bumpers front and rear for maximum durability
